Brethren, does anyone remember December 13th 2008? Got my apron and I was “out’a here!” But now I am back for round two and this lodge is busier than ever.

Thanks are extended to the Installing Team, R.W.B. Tom White, Master of Ceremonies, R.W.B. Hall Dill, Installing Officer, R.W.B. Frank Sekeras, Installation Chaplain, W.B. Frank Turner, installing Officer for the L.E.O. and W.B. Paul Feaser, Marshall. And a special thanks to: R.W.B. Earl Blazer for accepting the Secretary’s office while we search for his successor; W.B. Al Phillips for all his help in the past and letting me know that I can count on him in the future and Jack Shaffer for the wonderful music after a day of adversity.

Our stated meeting on November 17th was spent getting my feet wet again and brushing off the rust as will be December 1st. The December 15th meeting should be a little smoother as the officers should be settled into their seats by then.

Volunteers are needed for: Saturday December 18th for delivery of the Christmas Remembrances. We will meet at the Temple Ballroom at 8:00 a.m. for doughnuts and coffee and of course, delivery routes.

December 24th at 8:00 a.m., we setup the Ballroom for the Christmas Morning Breakfast and December 25th at 6:00 a.m. Christmas Morning Breakfast with clean up afterward.

That’s enough for now Brethren. Please come out to lodge and get involved with some of these activities because it’s true, the more the merrier. Especially this time of year!

Greetings brethren and Happy Holidays to each of you and to your families! First, on behalf of myself and the new officers of William McKinley Lodge, I want to thank each of you for your confidence in electing us to serve as stewards of our great and historic lodge. We take this responsibility seriously and we will each strive to make you proud of having selected us. More importantly, we will zealously work to infuse excitement into our lodge and hopefully to encourage you to attend our meetings and special events.

The motto I have adopted this Masonic year is, "Tradition, Change, and Success." All of us can agree that Masonry is steeped in tradition. The ideals and tenets of Masonry are the same today as they were over three hundred years ago. It humbles me when I think that such great men and Masons as George Washington, Paul Revere and Benjamin Franklin met in lodges over two hundred years ago just like ours, and followed ritual just like we do today.

Many of the customs of the Craft and of our lodge are long standing. One such example within our own lodge is the presentation of the Chaplain's Cross. It has been a long standing custom in William McKinley Lodge for the outgoing chaplain to pass his "cross" lapel pin to the new incoming chaplain. Traditions and customs are good. They add value and meaning to our lodge. Everything we do however is not tradition, it may be a custom.

How often have we heard about lodge meetings in the past where there were fifty, seventy-five or even a hundred and fifty brethren on the sidelines? Why is it that today we only see thirty or forty brethren at lodge? What has changed? The tenets of Masonry have not changed. Our goals, or customs and our traditions have not

Saturday, November 13th along with our good friends from Canton Lodge 60, we had our installation of officers. Following installation we had a fine dinner served by our Lodge Education Officer, Wor. We will need some help with the Masonic Christmas Morning Breakfast; if any of the brothers can give a helping hand.

Monarch’s Message

Well, this has been a great year. A lot of good things happened at the Grotto. Thanks to the hard work of all the Grotto Members. I would like to highlight two men that gave above and beyond for Nazir Grotto. P.M. “Sarge” Hicks does whatever needs done no questions asked and Stan Pearson gets up at 4:00 a.m. every Saturday morning to make sure the coffee and Grotto are ready for breakfast. Thank you just does not seem adequate, but thank you for all your hard work. I have been privileged to be the Monarch this year and I owe my success to the Grotto members for their support. Thank you very much. I am looking forward to working with the new Monarch and his Board of Officers in 2011

Gary Gruber, Monarch 2010

Chief Justice

Just to let you know that the installation of officers is open on Wednesday, December 8th. There will be a dinner at 6:30 p.m. Please, if you plan on attending the dinner, you must call the Grotto and make a reservation. I am looking forward to being the Monarch in 2011. Also nominated was Gary Gruber for Chief Justice, P.M. Richard (Slip) Krabill, Master Of Ceremonies and P.M. Art Poorman, Sec’y/Treas.

Thanks Prophets for stepping in. I will need all the help that I can get; so please ask if there is something you can do. Hope to see you at the Grotto for installation.

Hello Companions, we need all the officers at the next meeting to open in the Royal Arch Degree, full form. We need the practice and if at all possible to make sure we have all the parts covered for the degrees. We are being inspected in the Most Excellent Master Degree.

May you all have a great Christmas and New Year celebrations.

Just S'pose

“Suppose your membership, as a Mason, was good for one year only, and that re-election to the rights and benefits of Masonry depended upon the good you had done in the lodge during the past year. Would you be reinstated?

Suppose there was a long list of those waiting to obtain membership. Would you be more alive to your obligation to support your lodge?

Suppose you were called on to explain just why your lodge should keep your name on its roll? Have you a record of helpful service to offer in your defense?

Suppose every member in the lodge did as much for Masonry as you are presently doing. Would more seats be needed, or would the lodge be “dark” half of the time?

Suppose you were to set the pattern for attending your lodge. Would your lodge grow and expand, or would it be forced to disband?”

Greetings Companions, our inspection this year is in the Select Master Degree. It will be on Monday, December 20th at 7:00 p.m. with light refreshments afterward. We will be holding a practice for that degree on Monday, December 6th at 7:00 p.m. We will confer the Super Excellent Master Degree on May 2nd. Further information about this degree conferral will come at a later time. We recently conferred the Royal Master Degree on three candidates. It was a very nice degree and well done thanks to all who participated especially, Illustrious Companion Dave Decker, who came from Akron to help and Illustrious Clyde Vickers who delivered the charge. As you can see, we still have a great deal of work to do; so come out and join in the fun. We always need another gible.

Have a safe and Merry Christmas!

Sir Knights, as we light Advent candles and witness the Gospel of the Christ, let us give reverence to this season. As Sir Knights, when we were created a Knight Templar, a cross was presented to us symbolizing our faith. As God gave us (John 3:16) in His love, let us give to our brothers in need in this solemn holiday.

The annual Masonic Christmas Breakfast will be held at 6:00 a.m. until 7:00 a.m. and Santa is due to arrive at 5:15 a.m. It has been the tradition of the York Rite Bodies to clean up after the breakfast and have at least two men for set-up before we eat. Remember, in at 6:00 a.m. out by 7:00 a.m. All Masons are invited and to bring their sons and male guests.

In November, Sir Knight William Stratton was elected to Eminent Prior. A recognition dinner at Wadsworth Masonic Temple was held in his honor. All attending had a great time.

Sir Knights, regretfully, we have a 53 year member who has not been presented his 50 year membership award yet. If you are eligible for a 25 year or 50 year recognition, notify the recorder or myself for our prompt follow-up. Also when a Sir Knight passes to the Great Architect, send an obituary to the recorder. It is our tradition to have a prayer for him and place his name on the memorial list.

The first meeting of the Templar year for the 8th division C.T.A. gave a presentation for instructional use of the Red Cross and Malta Orders. It was well received.

We are off and running! We received and balloted on two petitions in our first two meetings. These women will be joining us December 10th. Jessica Pettinger and Sherryl Dudek have already started coming to some of our social events and now they are making it official. We look forward to sharing some Christmas cheer with you at our annual Eastern Star Christmas Dinner which Delta's Auxiliary plans for us every year. This year, we're moving it to the Golden Corral in Belden Village. I hope everyone will attend. Remember, this is just a night of food, games and fellowship; so if you have a friend, bring her or him along to meet everyone. We only have one meeting this month because the fourth Friday falls on Christmas Eve. We hope you enjoy the holidays with your family and friends and we look forward to seeing you in the New Year. We are again off to another year. I again want to thank all the Daughters who took offices this year. We will have another fun year. We brought in two new daughters at the November meeting and I know of a few more who are thinking of joining. Let’s keep bringing in those petitions.

At our December meeting we will be having our annual Christmas party. Bring a finger food to share and if you wish to participate in the Christmas exchange, a wrapped gift. Everyone please keep our shut-ins and our ill daughters in our prayers. Daughter Mary Moore had recent surgery and Millie Thompson has been recovering from her surgery. We miss all of those who are unable to attend and we think of you often.

All Daughters who are planning on being in the drill we have scheduled for “Supreme Session,” remember we will be having practice after each meeting. Sharon Snowden has worked up a drill for us and the only way we can be award winners is to practice. Please plan on staying and attending these practices. They are also a great form of exercise.

I hope all of you had a wonderful Thanksgiving celebration and hope you all have a blessed Christmas and a Happy New Year.

logical Seminary in Pittsburgh, PA., the Reverend Smith answered the call to pastoral ministry in 1987.

The Reverend Smith has had pastoral duties in congregations in northeastern Ohio and Southeastern Pennsylvania. He presently is senior pastor at Faith Community Church of Canton, OH (formerly Canton Christian Tabernacle.) He has also served on several organizational boards including Child Evangelism Fellowship, Bucks Mont Collation for Evangelism and his denomination's national board of directors. He also served for several years as a chaplain for a local service organization. Reverend Smith and his wife Carol, make their home in Jackson Township.

Each person attending is asked to bring a non-perishable item for donation to the Total Living Center. See you there at 6:00 a.m. on Christmas morning.

Kwanzaa

Lighting the first Kinara candle strikes the beginning of the Kwanzaa celebrations in the United States. The kinara is the candle holder. Its divergent shape represents the roots that African Americans have to continental Africa. During the week-long celebration of Kwanzaa, seven candles are placed in the kinara, three red on the left, three green on the right and a single black candle in the center; the symbolic colors of the holiday. The seven candles represent the Seven Principles of Kwanzaa. During the week of Kwanzaa, a new candle is lit each day. The center black candle first, then alternates between the red and green beginning with the outermost red candle and moving towards the center. Each day is dedicated to the contemplation of one of the "seven principles" with each candle having a meaning. The black symbolizes the African race, red stands for African blood shed and green stands for the land of Africa.

The ritual of lighting the kinara closely resembles that of the Menorah during the Jewish holiday of Hannukah. What a small world it really is.

changed. Perhaps the simple answer is that we as individuals have changed.

In colonial times, lodges did not hold stated meetings by the calendar but rather by the cycle of the moon. There were no street lights to light the way. The lodge meeting was held on the cycle of the full moon so the brethren could safely reach the lodge by horseback. I would speculate there was grumbling when that custom was changed.

In August I attended a district meeting given by then Deputy Grand Master and now Most Worshipful Master Bradford A. Goebel. At this meeting, the Master asked, "How many Masons does it take to change a light bulb?" The answer: none, because Masons never change anything. The point of the humor was that some change is necessary for an organization to succeed. I agree with that premise.

This year we will make every effort to make our stated meetings exciting and enjoyable. We will continue to hold our traditional events such as the very moving memorial service, the William McKinley observance and Holiday party. We will also make some changes to improve our stated meetings. I will make you a deal. You attend lodge every second and fourth Friday and I will make your time in lodge worthwhile.

Tradition

Traditionally, all Masonic Temples, designed by professional architects in the 20's and 30's and indeed possibly even today, have a mistake purposely built into the building. The Masonic reasoning behind this is that only God can produce and build something that is perfect. All Persian rugs have a defect woven into their pattern, for the same reason and one of the things that makes them valuable to the consumer. The human eye is a strange devise for detecting some small flaw in an otherwise perfect repeating pattern and will pass right over it without registering that small flaw on the brain and therefore, the flaw may go undetected to many while others may recognize the "so called error" at once. In the case of the Masonic Temples, this error is placed in full view in an open area, of each Masonic Temple, and is not hidden by any other objects to obscure its view. It may be seen by just walking past that area. Now, our Masonic Temple has just such a "so called error" built into the building. Excluding the personnel who visit the structure on a daily or weekly basis, do you know where this purposefully placed error is located in our grand old building? If you do, you have a head up on the rest of the rank and file who visit and walk through her halls on a regular basis. Point it out to those near you or better yet, write the editor and tell all where it is. Even better than that, take a brother to lodge and show him where this error is located and give him a reason to have pride in this very valuable place on the corner of 9th Street and Market Avenue North.

Your editor, Bob

Masters, Wardens & Deacons Association of Stark County

TRESTLE BOARD

Mon., Dec. 20, 7:30 p.m. – Stated Meeting
Canton Temple Blue Lodge Room

Congratulations to all the new officers in all the eight Stark County lodges. We wish the best of luck for the coming year. Remember that Masters, Warden's & Deacons are there to assist officers in their respective duties in their new positions, not only in ritual work, but in other areas as well.

It is my hope that a new slates of officers, the masters of those lodges will see fit that they have representation at Master's Warden's and Deacons Association.

Sincerely, Gordon L. Broome

Editor's Note:

As you close the final issue of the Masonic Bulletin for the year 2010, your editor hopes you have enjoyed the articles and news within. Each month I wonder if it will ever get to press on time waiting for the several articles from the lodges and chapters. The excitement keeps me keen and always ready for the unknown. I do wish I would receive more letters from the readers especially requesting what you want in your Bulletin. As the year ends, we thank all those who submitted copy and suggestions, all the advertisers new and old and of course the readers who put up with the mistakes. We do try! From Melinda, Glenn and Bob, we wish for you a very Happy Hanukkah, a Merry Christmas and a very prosperous New Year.

Bob, AKA Bobel, your editor
