Brethren! Come out to our Annual Stated Meeting on November 2nd and present your new dues card so you may vote for the new corps of officers. The dues notices have been sent out in plenty of time and dues must be paid prior to the annual meeting for you to attend and vote.

Hopefully we will be able to confer the Fellow Craft Degree on three waiting Brethren at our second stated meeting this month. Plans just didn't come together for that to happen in October.

Our installation of Officers will be held on Saturday, November 19th with the doors opening at 4:00 p.m. Installations and awards begin at 5:00 p.m. The installing officer will be recently elected Deputy Grand Master, R. Wor. Bro. James Easterling Jr.. R. Wor. Bro. Thomas White will assume the station of Master of Ceremonies. Immediately following is a dinner at 6:00 p.m. The dinner is being catered by our own Brother David Amstutz (DD STUTZ) and will be a full course Thanksgiving Dinner with all the trimmings as it is that time of year. Price of dinner will be a “Freewill Offering.” For dinner reservations, please contact either the Master or Secretary Wor. Bro. Paul Feaser.

I would like to thank all the Brethren of Canton Lodge who helped me make it through the year and I hope you will support the incoming Master in the same fashion. And a special thanks to a Brother from McKinley Lodge, Robert Martelet. If it weren't for him I would have had a lot of blank pages in this little book. God bless you and your ailing family Bob! God bless our Lodges, our Troops, and God bless America.

Freemasonry: Learn it, Love it, Live it.
 Love you guys!

Greetings Brethren! As we enter the month of November, my year as Master of McKinley Lodge is quickly approaching its conclusion. This will be my last article for the Masonic Bulletin. My desire is to continue to be involved with our lodge as many of our Past Masters are doing. I do not anticipate riding off into the sunset, never to be seen or heard from again.

Many of our brethren have a deep love for and belief in the principles and tenets of Freemasonry. It has been my goal this past year to try and ignite that enthusiasm and excitement in all of you. It is not that the fire has gone out in some of us but rather the embers require a little stoking. I encourage you to attend lodge and fellowship with honorable likeminded men.

Many times the last article is the Master's "swan song." It gives him the opportunity to thank those brethren who have helped him throughout the year. I have decided to deviate from that practice for a number of reasons. First, because when trying to thank people you will invariably forget someone and that does not promote harmony. Second, each and every one of you who attend our meetings helped me, the other officers and especially our lodge by your mere presence. I cannot tell you enough how rewarding and encouraging it is to see a full lodge room. Third, I hope I have thanked and recognized each and every one of you consistently throughout the year.

November is a very important month for McKinley Lodge because it is when we hold our Annual Stated Meeting and election of officers. Your most important right as a Mason is to ballot on candidates. Your second most important right, provided your dues are paid, is your ability to elect our officers. This right is important because the success of our lodge is based upon the officers we elect. If there is one meeting that each should never miss, it is the annual meeting. Please be there, not only to vote, but to encourage those who are elected.

We are just back from Grand Lodge with four Trinity officers attending. Please attend our Annual Meeting and election of officers and support them this coming year. As Master of Trinity Lodge for the past year, I would like to thank all the brethren who have served this year. We have a good bunch of young officers to follow those who have come before. And to those who need help attending meetings please just give any officer a call and a ride will be provided. It has been a real honor serving Trinity Lodge this past year.

November 11th we will also celebrate “Veterans Appreciation Night” in conjunction with the Annual Meeting. I encourage all veterans to come, be recognized and honored. I also ask you to wear part or all of your uniform regardless of whether it fits.

Hope to see you in Lodge. **Gust Goutras, Master**

The Masonic Temple is in need of a brother with access to a bucket truck to trim the tree next to our flag pole. We cannot fly Old Glory because the foliage is too close and the flag gets caught in the branches. Can you be of assistance with this problem? Call Bill Noggle at the Temple (330) 455-6300.

Thanks, Bill

My Companions, Grand Chapter has come and gone. We've seen a lot of old friends and met some new ones. There were three pieces of legislation that passed but one failed. I will explain at our meeting next meeting. When you see R.E.C. Steve DeNayer or E.C. Jim Collins make sure you congratulate them on their appointments. Please give these companions all the support you have given me over the past six years. Congratulations guys!

Attention all K.Y.C.H. members. Make your reservations and come join in a day of friendship and fun at the annual Priory Meeting. Everyone congratulate our Prior William Stration! He has done a fantastic job and made Canton Chapter proud to call him our own.

Inspection season has started so let's get out and support our other chapters in their inspections. Minerva Chapter is having a dinner prior to theirs so if you wish to attend, please contact their High Priest for your reservations.

My Companions, we are off to another full year so let's have fun and have a good one. Richard, H.P.

THE ALTAR

by William R. Fischer

The most important article of furniture in the Lodge is the altar. When we talk about this type of furniture, we intend it to be a chair, a table, a desk, etc. not the symbolic furniture.

Altars in ancient times were made generally of turf and stone. When permanently erected, were cubical and built long before temples. Altars of sacrifice were erected outside, and altars of incense inside. These altars were for sacrifice and incense, only because at this early period the Holy Scripture had not yet been written.

The Masonic altar is both sacrificial and incense. You lay down your passions and vices in an obligation to the All Mighty God as a sacrifice to him. You offer up the thoughts of a pure heart as a fitting incentive to the Supreme Architect of the Universe.

The altar is therefore the most holy place in the Lodge.

Companions, Grand Council this year was very interesting. We as a Council of the 8th Arch won the outstanding council award; and our past Illustrious Master, Rick Memmer won “Master of the Year” out of 90 Councils. Great job Rick!

Degree work will be starting soon and all help is needed.

This year my goal was \$1,000.00 for the Diabetic Kids Camper Fund. I am pleased to say that with all the help I raised \$2,500.00. A gift from Tom Young of \$1,000.00 because I was able to raise the first grand with cans and a gift of \$500.00 from Most Worshipful Brother, Tom Zahler, Past Grand Master, put me way over the top; but without the can collection it would not have happened. Thank you all for making this project so great. I will still save cans till June for next year.

Thanks again!

Well, this term is winding down and we’re entering the season of installations. If you wonder when Alliance Chapter’s installation is, I’m sad to report they will not be having one. That chapter decided to merge with Palmy Chapter in Deerfield in District 2. They decided to merge outside our district because Deerfield is closer to the members’ homes and that Temple doesn’t have steps. This allows older members with limited mobility a greater chance to attend meetings. If you run into one of the members of old Alliance Chapter, please offer them your loving support.

As for Delta Chapter, our Worthy Matron-elect, Lora Givler, and Worthy Patron-elect, Trevor Sproul, are busily putting the finishing touches on the great things they have planned. Our installation is the Friday after Thanksgiving. So if you go out shopping early make sure your nap in so you won’t miss on the fun. Our Worthy Grand Matron, Jean Watters, and Worthy Grand Patron, F. Lon Lowry, are installing the officers of Delta Chapter this term. I encourage you to show up and support the officers on the floor. It’s very exciting to have our new Worthy Grand Matron and Worthy Grand Patron visit so soon after Grand Chapter. They’ve been busily traveling the state showing off their new Grand officers and teaching other Star members

As for 2011, Jim and I are wrapping up our first time in the East. We've learned a lot and hope everyone had a good time along with us. We take this time to thank everyone who served as an officer or helped run the kitchen to raise money for Delta. We had a great year with now Past Grand Patron Trevor Sproul in the Grand East. If you attended a meeting, I hope you enjoyed yourself. If you were unable to attend, I hope I've kept you informed with our happenings in the Masonic Bulletin. I've enjoyed doing it.

Could We Loose The Masonic Temple? November Update

Every time I go into the Temple, I seem to find a room or area I have not seen before. When the Masons in the early 1900s sat down and tried to decide what they needed to serve the Masons of their day as well as what was needed to serve the Masons of the next century, they were thinking of us. But now I am sure if they heard the amount of money it would take to maintain this Temple, they could not have believed it.

They were, however, thinking of us as their successors. If you start to look at the building with the thought of making use of all of the space, you really appreciate the thought, work and treasure that they gave us right here in Canton, Ohio.

The response I received from you, from last month's article, was unbelievable. Many, many have responded with suggestions, offers to help, donations and new ideas about how to raise money. It is clear there are a large number of us who believe that if it were possible to live and prosper with this building, they would like to do it. I thank you for your thoughts, ideas and prayers on how to make it happen.

My journey to find answers started with receiving counsel from many of our current and past leaders. Those meetings included such brethren and counselors as Frank Sekeres, Jim Filliez, Earl Blazer, Jim Easterling, Glen Owens, Tom White, Bob Hahn, Ed Trego, Jim Fiddler, Paul Feaser, Reid McLoud, George German, Dan Heaton, Wes Weber, Clyde Vickors, Steve Morosko, Marla Fox, Gary Gruber and many others, one thing everyone agreed on is this is our last chance.

Following those meetings, I set out to meet with and discuss what others are doing with their buildings. I met with them, toured many of their buildings and sat in their planning meetings. Each had similar problems and many have come up with similar solutions.

Cleveland has by far the largest building; their theater has world-class sound systems and will seat 1,200 people. They rent their theater for professional productions and concerts. They rent the ground floor, the second floor and third floor to local business. They keep the temperature at 65 degrees in the winter and everyone dresses for it to be a little cooler. They have reviewed each line item in the budget to find a way to cut it.

Akron had to sell their lodge in the 90s, went to Montrose and bought an old skating rink and proceeded to remodel it. After spending all the money from the sale, they lost the building to the bank and now have a blue lodge at the Tadmoor Shrine in Akron. Their Scottish Rite meets in a Blue Lodge in Cuyahoga Falls. All of their degrees are done on the road. As you can imagine, their membership has suffered.

Barberton Lodge has raised the cost to members to cover their costs and rented out sections of their building to local business. They also have fundraisers and donations to cover costs.

I spent a few hours with the secretary of Grand Lodge and he directed me to Dayton Masonic Temple. He also had ties to the Canton Temple through York Rite and thought very highly of our building as one of the best in the state. We discussed many lodges around the state and how they approached the same problem we have.

Dayton Temple brought in a building manager whose job it is to find ways to rent the building and get donations. They have weddings and parties with alcohol and they have raised \$4 million to air condition the entire building. They spent a couple of hours with me and have invited me to bring a committee down to meet with their board and get ideas for our building.

I have heard many stories of how my father and grandfather have gone to lodge together. Gary Rinehart's father was at the ground breaking.

Tadmoor Shrine invited me, which I am grateful for, to join a committee that the past and future potentates all work on long range planning. Their main problem is to come up with ways the board can cover operating and overhead expenses of the building and property. I have attended one meeting and was able to pick up many great ideas. Our own newest 33rd Ed Trego heads that up.

Many of those who helped with the original start-up of the committees have come forward to chair a committee with the goal of creating a separate revenue stream to the Temple. Those Brothers are Paul Feaser, Steve Morosko, Clyde Vickors, Wes Weber, Dan Heaton, George German, Reid McLoud and myself. Each has a separate committee with a separate goal to produce revenue. These committees will be calling on each of you to help in some way. If you have a particular skill, please let us know and we will direct you to the committee that will be enhanced by your skill.

If you have an idea, please let me know so we can take advantage of it. We will have you take the role you wish and fill in the brothers you need to succeed. If you are unable to

lead, give us the idea, we will run with it and keep you informed.

This month I will check with all the different Lodges, Scottish Rite, York Rite and the Eastern Star to get their thoughts for the future of the Temple and how they would face the future if we do not succeed. If you would like input on this please contact your leaders.

We have come a long way in two short months. It seems like we might have a chance with everyone’s help. This month, those who have come forward will start to forge a foundation we can build on. I will firm up our relationship with other lodges. In my journeys, I have found some of the Blue Lodges are hurting as well. If our committee can help your lodge, invite us over and we will come to your lodge meetings or meet with you and explain what we are doing. Perhaps what we share with each other will inspire both of us to do things to support your local lodges as well as the Temple. Together, we will all succeed.

Please keep sending your letters, it inspires us to continue. Please, if you see anyone whose name I have mentioned, if you could give him a quick, thank you Brother, it will let him know you care and his work is important.

Thank you. **Mike Emery**
