Greetings Brethren! A lot has happen since the last time that I wrote. On April 17th we had our Fellow Craft Inspection and I am very pleased to say that we passed. I would like to thank all the officers and brethren who helped out to make our inspection as good as it was. I could not have done it without you; thank you. I would also like to extend a big thank you to Wor. Bro. Mike Emery, for standing in as Pro-Tem Senior Warden, during all the practices, stated meetings and I would also like to thank him for the outstanding job he did during the inspection. Please extend thanks to Wor. Bro. Mike Emery for all he has done. I will also thank Wor. Bro. Jeff Ward for helping out at our practices and also for the awesome job he did giving the lecture at the inspection. Please extend thanks to Wor. Bro. Jeff Ward for the outstanding job he did also.

On May 11th we presented the Grand Master's "One Day Class." On that day we raised 14 new Master Mason's into Canton Lodge 60. It was a very rewarding experience. I would like to thank all the brethren who volunteered to be mentors that day; and I would like to thank all the brethren who were there just to help out. I would like all the brethren to please take the time and congratulate all the new Master Masons.

I will thank all the brethren who attended McKinley's and Tubal's annual inspections. Canton 60 was well represented at both inspections and won the "Traveling Trophy" award at both events. This makes two in a row. The next inspection is on the 31st of May at Victory Lodge. Let's make it 3 in a row.

Just as a reminder, we will only have one stated meeting during the months of July and August. I will wish the brethren a good summer and if you are traveling, please be safe, but most of all, enjoy yourself and family wherever you may go.

Mike Mallard, Worshipful Master

The month of May turned out to be a decent month down at the temple. The brethren put in some hard work and accomplished the raising of four candidates, the annual inspection and the Grand Masters "One Day Class!" This occurred all in the first two weeks! The degree work has been exciting! It makes it extra special when you get to see a father raise his son. We also had the brother to brother option being played out as well, with our Worshipful Master Joe Kostolich obligating his brother Ken Kostolich at the one day class. I have to say the comments after the inspection this year were excellent. Right Worshipful Brother, Michael Bailey, gave the lodge a high compliment on the degree work. Most Worshipful Grand Master, James F. Easterling Jr. complimented the brethren on their pursuit of more light in their completion of the grand lodge educational course work and Past Grand Master, Tom Zahler, left the lodge room speechless with his rendering of "This Ragged Flag." Every brother was on their feet and applauding, not sure if everyone had goose bumps on their arms, I only know that I did. There are exciting things happening at our temple every meeting, to be sure this month was a little busier than most, but the support and encouragement from the sidelines makes thing run exceedingly smooth. A special thanks to all our past masters who watch with a careful eye the proceedings in the lodge room and also to our newly obligated brethren for their attendance at stated meetings. It really all starts their fellows. The more you show-up, the more you learn. That is all from the South fellows.

See you in lodge! **Steve, Jr. Warden**

Monarchs Message

The Ohio Grotto Association held there May Conference at Teheran Grotto and it was a good two day session. June 30th until July 6th the Supreme Counsel Session will be in Nashville, Tennessee; and another good time will be had by all.

Due to a busy time scheduled at Nazir Grotto, the regularly scheduled spaghetti diner for July has been canceled and will start back up in August. The spaghetti dinner in April was a big success, we had the dinning area full of people, coming and going, the whole two and one half hours. It was a good meal fixed by prophets and there ladies and was wonderful; thank you.

Prophets, there has been a new card reader installed on the back door of the Grotto Building; and so the blue cards are no longer good. If you want a new card for the new reader, it will be at a cost of \$5.00.

This charge is to pay the cost of the new card reader and installation. You may purchase a new key card from our secretary on Monday, Wednesday or Friday, 9:00 a.m. until 12:00 Noon. If you loose you card it will cost you \$5.00 for a new one.

I hope you all have a good and safe 4th of July!

Brother and Prophet, Thomas M. Richards, Monarch

Greetings Companions! I wish to thank you for allowing me to serve as your Illustrious Master this coming year.

We have a number of candidates ready to receive their Royal and Select Master Degrees. I believe we will have these take place in October and November. Our inspection next year will be in the Select Master Degree in January 2014 and our Grand Master, Most Illustrious Companion, Robert Rhinehart, will be our Inspecting Officer. Watch for the date and make a special effort to be with us.

Again this year we are collecting empty pop and beer cans for our Diabetic Kids Fund. Illustrious Companion, Jim Collins has agreed to head this up. Please help him on this project.

Check the functions going on in our Chapter and Commandery this summer, they will need our support, and we theirs.

Again, thank you for this honor. See you at our September meeting if not before.

Clown Unit

In the early 1960’s, the Clown Unit of Nazir Grotto started to put smiles on the faces and laughter in the hearts of many people in the greater Stark County Area. About 1965, Tommy the Trolley began to take the Nazir Grotto Clowns to all corners of Ohio doing what clowns do best; to make people smile and laugh. These joyful experiences were made possible by Brother Masons, always behind the scene supporters, who were not

"Save Our Temple"

"The heart of a servant leader" is a sincere compliment. It has origins in the church, but it can describe leaders in other groups as well. A simple definition can be divided into two parts. Primarily, it is the natural inclination to serve others. Secondly, it is the intentional decision to take on a leadership role. For example, when we come to the Masonic Temple and participate in activities, we grow personally through acts of helping to serve others in our groups and communities. The satisfaction that comes from this often points members to a leadership position.

We are fortunate to be surrounded by women and men who are such Servant Leaders. They dedicate their time, effort and money to Masonry. The great majority of these people quietly serve without fanfare. Without a doubt, their contributions are essential to their groups' success. You may, or may not, recognize their names and faces, but we all benefit from their efforts.

Take a moment to thumb through your Masonic Bulletin and notice the wide assortment of organizations that are represented in it. All these groups have ties to our Masonic Temple, and most of them consider it their home.

Remember your first visit to the

Masonic Temple? Perhaps you were dazzled by the beautiful ornamentation of the rooms, and impressed by the fine workmanship necessary to create such a place. Equally impressive is the constant care that our Temple needs to remain in operational condition.

We need to recognize those people that keep our Temple “afloat.” One way is by noticing those who wear “Save The Temple” lapel pins. The pins serve two purposes. The first is to bring in money to help with the Temple’s expenses. The second purpose is emblematic in that the wearer’s of the pins remind themselves of the importance that the Temple has in their own lives. It also lets others know that the person wearing the pin has donated their personal treasure so that we can all enjoy our magnificent home. They are examples of Servant Leaders.

Your help is needed to maintain our Temple. Please contribute to the “Save The Temple” fund in an amount that you can afford, and join the growing number of “Servant Leaders” in our midst.

After reading the nicely written article by Brother German, I thought it in good taste to add my two cents worth to this Bulletin. Below is a poem written especially for the closing and surrendering of the charter for a Masonic lodge! Before reading the poem and the prefix, take a moment to reflect on what part of your life the Canton Masonic Temple and especially your lodge, has played on you. Like me, you probably entered that fine old building in au of its magnificent beauty and splendor. Think of the grand parties, dinners, entertainment, and changes it made in your life each time you walked through its portholes. We as members have used, abused and demanded the best from it and it has never denied us any of those requests. Its beauty, for all the abuse, still shines through. Its grandeur still reflects the effort put forth to build such an edifice. Contemplate the number of young, and old, candidates who have been raised and learned the mysteries of the fraternity in its halls.

Now, read the prefix and the poem and picture what it would be like to see the key turned in the door lock for the final time. To realize that never again would the sound of brethren laughing and talking among each other echoing up the central stair case. To think that it's final is more than most could bear.

THE CLOSING OF A LODGE

The poem was written in two hours on the morning of the 9th February, 2000 by R. W. Brother J. G. W. Kelley P. G. Lect. Grand Lodge of South Australia and the Northern Territory and presented by him at the final festive board of Torrens Park Lodge No.112; after surrender of the Lodge's Warrant. The final ceremony was well attended and very moving with the temperature 38-39 deg. C (over 100F.)

With the closing of the Volume and the opening of a door,
Think not this Lodge has ended, think what has gone before.
Remember all those worthy men who as apprentice came,
And who developed love and skill and worked in friendship's name

When you take up the Working Tools too gently put aside,
Think not their work has ended, think how they were applied.
Remember well the lessons taught, to craftsmen tried and true,
Of Masons worthy of the name and apron white and blue.

When your Tracing Boards are covered and the Columns laid at rest,
Think not their teaching ended, think more a message blessed.
Remember the special meaning to Master Masons all,
Of birth and life and learning and waiting for the call.

With the sounding of the gavel and as the lights at last go out
Think not your Lodge has ended, dispel all lingering doubt,
Master, Wardens, Brethren, remember as you depart,
Your Lodge will live forever in every Masons' heart.

TRESTLE BOARD

Sat., June 1, 10:00 a.m. – Stated Meeting

Brethren! Our next meeting will be held at Conrad Lodge in Alliance, June 1st at 10:00am. Breakfast will be served from 8:00 a.m. until 10:00 a.m. Our Meeting will be promptly at 10:00 a.m. and last no longer than 1 hour.

We at Master’s, Wardens, and Deacons would like to congratulate all our newly raised Master Masons.

Our April meeting went well and we thank Clinton Lodge for hosting our meeting. There are still a lot of fresh ideas that we are building on. Our attendance is still active but, we could still use a few more members representing their Lodges.

Mentor’s, please bring along with you, your “One Day Class” new members, to one of our meetings and to all Master Masons, we all have an opportunity to improve our Blue Lodge ritual work. Clinton Lodge, Massillon, is offering assistance in ritual work, or questions and answers for those of us who want to improve ourselves in more light. They will have people to assist anyone on Saturdays from 8:00 a.m. until 10:00 a.m. Please take advantage of their generosity and bring someone along with you.

Keep your calendars marked for July 15th at 6:00 p.m. The District Awards Night is being held at Fairways Country Club, North Canton. Make your reservations and enjoy the evening with Brethren.

We only have 3 more inspections left, lets get out their and support them as they supported us, I look forward in seeing you.

Have a safe and fun summer with family and friends, Fraternally, Reid A. McLeod
