Greetings Brethren! The inspection season for the 21st Masonic District came to a close on June 29th at Hudson Lodge. Most Worshipful Brother James F. Easterling Jr., attended all 28 inspections for the 21st district. Also in June we held the Past Masters/awards/spouse dinner and I must say that it turned out very well. We presented two 60 year award, one 50 year award and a 25 year award. We also presented a Certificate and a flag to 12 brethren. These flags was flown during the Memorial Day weekend from May 24th too May 27th in the Jackson Township Flag of Honor/Flag of Hero's. R.W.Bro. Gus Goutras was present and presented the awards.

On July 15th, the 21st Masonic District held their annual awards night at the Fairways. Canton Lodge No. 60 won the award for the best Fellow Craft Inspection. I would like to thank all the officer and brethren for all of their hard work.

I would also like to thank all the brethren who came out for the Hall of Fame Enshrinement to help label the chairs down on the field; and even though the stickers would not stick, we still had a good time. Afterwards most of us meet at Grinders for lunch. We had a grand time there also. Hope to see more brethren from Canton No. 60 there next year.

At our last stated meeting, Wednesday, August 7th, Most Worshipful Brother James F Easterling Jr. was presented with an Honorary Membership to Canton No. 60. Most Worshipful presented a 65 year award to R. W. Bro. Tom White's father, Brother Bob White. Brother Bob White also received a Certificate and a Flag that was flow during the Memorial Day Weekend. Congratulations to all!

Brethren! Summer is coming to a close and it is slowly beginning to cool down. I hope that everyone has had a nice summer filled with unforgettable memories and lazy days. I am learning many things about life as your Worshipful Master this year. I have learned that it is more important to spend as much time enjoying what you do than doing what you have to do, simply, because we are not promised tomorrow. As most of you know we have lost a few friends over the summer to the celestial lodge above and even though it's difficult seeing them go, we know they are in a better place.

My position this year has allowed me to experience so many wonderful people and share so many wonderful experiences with my Masonic family. This year, I have been able to truly see how big this fraternity is and how much Masonry impacts everything around us. So, for my younger brethren aspiring to become officers, I can tell you that it is a great journey to the East and being master is an experience that cannot be put into words.

I have also learned that September is the month to rally the "troops" and get ready to go back to our labors as Masons. So we have many great things in front of us within the next few months. Our outdoor lodge is scheduled for Saturday, September 14th at 7:00 p.m. We will serve dinner at 6:00 p.m. and lodge will open at 7:00 p.m. I apologize for the date change but the date in the calendar book is wrong. We are going to have a modern day military theme dating back from W.W. II to present. It is also going to be an night degree. We will be raising a Master Mason under a "starry decked heaven" that evening. I have also heard there will be a few campfires burning after lodge fueled by fellowship.

We are also having the William

Goodness how the summer time flies by! It’s already time for the lodge to get back to work, and play.

The “Awards and Memorial Night” will be September 5th at the stated meeting and I do hope the Bulletin reaches you early enough so you may make arrangements to attend this great evening and celebrate with us.

We have petitions and degree work coming up so your help will be needed conferring the work on our newest candidates. Be part of their first Masonic experience in Masonry.

Trinity lodge is in its tenth month of this Masonic year and we are looking forward to 2014. Our Senior Warden has been working very hard preparing for his Masonic year on the hot seat. And, Oh my! How could I forget this; for the first time in a very long time Trinity Lodge will have a full line of officers in the chairs for the 2014 Masonic year.

Until next time, don’t forget that “every day is a Joy.”

Original Thayer Drum Returns to Nazir Grotto

Thanks to you both Mr. and Mrs. Henry Mattes of Canton, actually London Square, who returned “whence it came” the converted Nazir Bass Drum, now a coffee table complete with glass top and plywood bottom with casters, to the Nazir Grotto via our secretary Dale Walter. An interesting note about this instrument is that Bob White, a well known professional drummer in the Canton area of many years and a brother of long standing, has photos of himself playing this drum with the Thayer band when he was but a teenager! Come down to the Nazir Grotto Hall and perhaps you will be lucky enough to see both of them.

Hello Good Sir Knights! I hope everyone has had a great summer. I remember my dad telling me long ago that the older you get the faster time goes. I never understood that until recently. Now it seems no matter how well I plan, there just isn't enough time to get things done. And this summer was a perfect example. I am sure we all had things that we wanted to do for fun or labor and just did not get to them. I have a big list of things that I wanted to get done that are not crossed off yet. Take advantage of the time we have. Use every day to its fullest! Get done what you need and enjoy what you can. Smell the roses and tell loved ones that you care.

Dear Daughters! I hope you had an enjoyable and relaxing summer and are rejuvenated for the months to come. Many Daughters and their guests enjoyed a summer picnic in June at Nazir Grotto with many of the Grotto guys and their gals in attendance. We all enjoyed the food and fellowship. A chorus practice was held after the festivities. We loved seeing some of our members who have not been able to attend our meetings for many months. We extend our thanks to Nazir Grotto for the use of the Grotto Hall.

Our September Meeting is on Tuesday the 3rd starting with a covered dish dinner at 6:15 pm. The meat and drinks will be provided. Come and bring a covered dish to share. Bring a spouse or guest to enjoy not only the food but the fellowship. The R.M.C.O. that night is Daughter Kate Oesch.

Many daughters have been working on drills and songs in preparation for Supreme Session on September 18th thru September 21st at the Holiday Inn, Akron West in Fairlawn. Practice will be held after the September 3rd Stated Meeting as well as on the 10th and 17th at 7:00 p.m. We will also be involved in decorating three tables for one of the luncheons at Session. Supreme Officers from Nazir for this Session include: Supreme Zulette, Cindy Gay; Supreme Rodeval, Barb Turner and Supreme Directress, Jennifer Arnold.

Editors Comment

Most Brethren must admit it has been rather exciting and a whirlwind of excitement having a Grand Master close by. It has been a long time since we had a local Mason serving as Grand Master. We must travel all the way back to Most Worshipful Brother Thomas Zahler for the enjoyment of a local man. Even Most Worshipful Brother Dan Iceman was close by but not really a 21st Masonic District Brother. Having a local man brings out the best in officers and brethren. They so called “get on the band wagon” and devote their talents and time to making things a really big success. Never in my journey as a Mason has this been more evident than at the 2013, 21st Masonic District Grand Master’s Reception. I was rather disappointed that all 21st district Masons could not attend as you missed a monumentally successful, change of pace dinner and reception. It was casual, no tuxedos nor top hats. Sat in a luau form, all wore Hawaiian shirts and the few who wore neck ties, were urged to shed them early in the evening. Grand Lodge Officers were ordered to remove their white dinner jackets, worn over black Hawaiian shirts, early in the evening. My big regret was that the June-July-August Masonic Bulletin was already in print and I could not get to my computer to put this to essay form sooner. If you are reading this article Most Worshipful, it is not my place to congratulate the Grand Master but, “boy-oh-boy,” it sure was a great party and the officers and helpers did a bang up job. Masonic functions need not be Matter-to-fact, stuffy, boring, straight laced, stiff functions; even lodges could loosen up a bit. I never thought the brethren should be entertained at lodge meetings but, they shouldn’t be bored to death either. Programs don’t have to be games or competitive, they just need to be educational, interesting and geared to today’s world keeping in mind that most brethren attending are over 50 years old. Whenever a brother feels it more enjoyable to set and wiggle his toes in front of the TV rather than attend lodge, we must take note and try to “change.” Oh, I realize that the very brother who stays away today because of boredom, is the very brother who will resist any change to make the lodge more interesting; but remember, we ran the straight laced lodge years ago because we did not know any different. That was how it was done in those days and we lived with it because we loved Masonry. The age of fast communication has changed all that. Oh my, yes it is great to have a Grand Master, smiling with a firm hand shake, who is right here among us. One who remembers every ones name and realizes that the brethren asked him to serve them as their Grand Master.

Freemasonry is a Fraternity

Author: Unknown!

Freemasonry is the oldest, and by far, the largest fraternal order in the world. Its lodges stretch around the globe, and like the British Empire, it might well be said that the sun never sets upon the Masonic Lodge.

Fraternity means an association of brothers, and that is exactly what Freemasonry is, a society of friends and brothers. The origins of Freemasonry date back to the dawn of civilization. The Egyptians practiced many of the philosophies known to modern Freemasonry and men practiced many of the operative skills as guilds formed in Europe during the Tenth Century. Written records of modern Freemasonry have been kept since 1717 with the formation of a general governing body called a Grand Lodge in England.

It is not a secret society in that its Temples are openly marked and almost everyone in the community knows where they are located. The Grand Lodge publishes a roster of the members of every lodge in the jurisdiction. Many of the lodges have individual bulletins or newsletters which carry the names of the officers and members, as well. Thus it is, in the strictest sense of the word, a society with secrets, and these are limited to its obligation, its modes of recognition, such as pass words and grips, etc. and certain parts of its ritual.

It is religious in character but is not a religion. It is founded upon the basic principle of the "Brotherhood of Man under the Fatherhood of God," and everyone who comes to its lodges must express a particular belief about God, for this is the privilege of each individual and is not infringed upon by our Fraternity.

Freemasonry practices selective charities, founded on the principle of brotherly need which is not applicable in all cases that appear similar. No member has a specific claim upon the society for its charity, for this is not a right acquired by becoming a member of the society, rather it is a privilege.

International Order of the
Rainbow for Girls**

A social time planned for August 14th was held after the Bulletin due date. More are planned so watch the bulletin board at the back entry. (Actually I'm using the post to share Rainbow Info!)

Grand Assembly started with a power outage as last year's ended but all was resolved by Thursday night opening. The newly installed Grand Worthy Advisor is Annie Strawn. If the name sounds familiar, yes, she is the daughter of Tim and Deb Strawn. Her theme is "All the World's a Stage" and the scholarship pin is a film camera available for a \$5.00 donation. The Blue Star Mothers of America is the service project. You can honor a past or present member of the military by purchasing a Blue Star for \$1.00. Check out the Rainbow Mailbox at the back entry of the Masonic Temple for a Star, honor system.

Posted are Annie's picture and the likeness of the pin. Orders are being taken for the pins. Please visit www.ohiorainbow.org for more information. Petitions for membership are located in the mailbox as is additional information. The Advisory Boards is committed to reactivating the Assembly. Your help is needed and appreciated. Questions may be directed to Diane Phillips through the mailbox, e-mail phillipsdlk@gmail.com or call (330) 868-3262, also at the dyslexia Center on Monday thru Thursday when sessions are held.

Forever the Rainbow,
Diane Phillips
